Dear Students!

Our University delivers selected e-Learning courses using appropriate ICT tools to deliver rich interactive learning environment away from the traditional classroom. It is accessible from anywhere via the Internet at [https://elearning.szie.hu/](https://elearning.szie.hu/).

In this document we would like to provide a few basic information to help you navigate in the system.

You are not logged in. (Log In)
1.1 First time users’ login

Prior to anything else, activating your user account is required on the site joker.uni-mate.hu.

First, switch the language to English and log in.

After logging in, you have to change the pre-set password, and by changing it, you’ll activate your account.

(Note: If you have previously accessed SZIE Wi-Fi, e-learning or webmail, you already activated your account and created a password other than the pre-set one! You don’t need to do it again.)
From then on, the Neptun code and the new password can be used to access university systems including the E-learning system, webmail and Wi-Fi, databases. (The password replacement does not affect the Neptun system.)
If you have problems logging in, you should contact the MATE IT Directorate at the address helpdesk@uni-mate.hu
The password needs to be renewed every 6 months on joker.uni-mate.hu
If you forgot your password, ask for help at helpdesk@uni-mate.hu

2. Profile data

After the first login, you can view your own profile by selecting the "Profile" drop-down menu under the user name. Your personal data from the university registration system are automatically uploaded to the E-learning portal. If your name is incorrect and needs to be changed, contact helpdesk@uni-mate.hu.

2.1. The University e-mail address

The university e-mail address is set up automatically to your E-learning account. This e-mail address appears in your profile information. All E-learning system messages arrive to this e-mail address, so it is important to activate and periodically check your mailbox or set up message forwarding to your private email address.
Information on university email account, Office365 account, visit the home page of the IT Directorate:
https://it.uni-mate.hu/en/home
https://it.uni-mate.hu/en/english_office_365_register_student

If you have any questions regarding O365 registration, or other logging related questions, please contact IT Directorate at helpdesk@uni-mate.hu

3. Dashboard, courses

After you login, the E-learning system launches the Home page (Kezdőoldal) from where you can navigate to the Dashboard to see the courses you are already enrolled to.
The Course overview displays courses, the Timeline displays the current tasks or activities which can be sorted by date or course. The Timeline block in the lower right area.

Teachers inform you of their courses launched in the E-learning system. Enrolled students use the uploaded electronic learning tools as instructed by teachers.

Not all MATE courses available in Neptun are launched in the E-learning system. If your teacher did not contact you and send information about course details, so you should contact the teacher through Neptun.
4. Searching for a course

- If your teacher has given you a link, just click on it, and it will take you directly to the course.
- If you don’t have a link to the course, click on the button „Courses“ which can be found on the header (next to your user name.) A menu will appear including the actual semester (e.g. 2020/2021 II. félév). Clicking on the actual semester, a new menu will appear listing the Institutes. Click on the right faculty then browse among courses. This way you can be sure that you found the correct course (right faculty, right semester.)

You can also select the right Course categories proceeding as above, then type in the course name or Neptun Code in the field Search courses and click GO.

If you conduct a search by course name or course Neptun code, you may get a list of courses. You will need to select the right one carefully. By clicking on the by the name of the course, you can read information like the name of the teacher(s) or a short summary.

The name of most courses consists of the followings:

NEPTUN Code – Name of the course - 2020/2021 – spring (actual year - and/or semester)

These elements can guide you to choose the right course.
5. Enrol in a course

After you found the course you need, you can enrol by clicking on its name and then clicking on „Enrol me”.

If there is an enrolment key set by your teacher, you’ll see the followings:

The Enrolment key is provided by your teacher exclusively.

The key needs to be typed properly, being upper and lower case sensitive. Beware: if you copy and paste the key instead of typing it, sometimes it adds a „space” before or after the text, which leads to an incorrect key.

6. Assistance

If you need assistance regarding the system, send an email to elearning@uni-mate.hu.
If you need assistance to login, password, send an email to helpdesk@uni-mate.hu
If you need information about a certain course, contact your teacher.
